Location: Kolkata, West Bengal, India

Career Objective

I'm a curious and motivated Computer Science Engineering student who enjoys learning new things and building useful tech projects. I am flexible, open to challenges, and interested in areas like Data Science, AI, and software development. I like solving real-life problems through coding and teamwork.

Education

- **B.Tech in Computer Science and Engineering**
Supreme Knowledge Foundation Group of Institutions (MAKAUT)
CGPA: 7.34 (Till 5th Semester) 2022–2026 (Expected)
- **Higher Secondary (WBCHSE)** – Jagatdal Chasma-I-Rahamat High School (HS)
Percentage: 77.2% 2022
- **Secondary (WBBSE)** – Nava Jyoti Vidyapith
Percentage: 69.00% 2020

Technical Skills

- **Programming Languages:** C, Python, Java
- **Web Development:** MERN Stack (MongoDB, Express.js, React.js, Node.js), HTML, CSS, JavaScript
- **Tools/Platforms:** Git, VS Code, Google Colab, Xilinx ISE
- **Concepts:** Data Structures, Algorithms, Logic Design, Problem Solving
- **Operating Systems:** Windows, macOS

Projects

- **Payroll Management System (Full-Stack Web App, Ongoing)**
Designing a full-stack payroll platform using React, Supabase, and Material UI to manage employees, work logs, vacations, and holidays. Features include CRUD operations, role-based dashboards, and real-time admin controls.
- **Comprehensive Flood Risk Management & Early Warning System**
Conceptualized a flood early warning system using geospatial data and real-time analytics. Selected at Geo-Innovation Challenge 2024 (DST, Govt. of India). [\[View Certificate\]](#)
- **Bee Hive Monitoring System (Internship Project)**
Designed a data-driven system using Arduino and sensors to monitor and log temperature, humidity, and CO₂ levels. Focused on real-time data acquisition and smart alert mechanisms. [\[View Project Report\]](#)

Events & Internships

- **Intern – Jadavpur University (2024)**
Completed a summer internship in ESIoT at JU with an 'A' grade. [\[View Certificate\]](#)

- **Grand Finalist – Smart India Hackathon 2023**

Finalist at national level SIH (Software Edition), presented at VNRVJIET, Hyderabad. [\[View Certificate\]](#)

- **Attendee – ICDMAI 2025 (St. Xavier's College, Kolkata)**

Participated in AI and data science sessions on LLMs, diffusion models, and trustworthy AI. [\[View Certificate\]](#)

- **Presenter – RTET-2024 (Supreme Knowledge Foundation)**

Presented a research paper titled "BERT Model of Labelled Datasets" at the Two-Day International Seminar on Recent Trends in Emerging Technologies (RTET-2024). [\[View Certificate\]](#)

Extracurriculars

- Participant – Intra-college coding, debate competitions
- Volunteer – Organizing tech events and workshops

Languages Known

- English – Read, Write, Speak
- Hindi – Read, Write, Speak
- Bengali – Speak, Read (basic)

Declaration

I hereby declare that the above information is true to the best of my knowledge.

Place: Kolkata
